Following discussion, a Biennale Sub-committee comprised of Members Cooper, Everson and West, was established with the purpose of researching, compiling ideas, creating a structure and action plan for a potential White Rock Biennale. The Sub-committee would report back to the Committee in September, 2018.

**7. STREET FURNISHINGS – DIRECTOR OF RECREATION AND CULTURE**

The Director of Recreation and Culture presented his June 11, 2018 Corporate Report, which was approved by Council, on “Guidelines for the Public Art Advisory Committee in the City’s Street Furnishing Selection Process.”

The Committee had an extensive discussion on whether the Public Art Advisory Committee has a role regarding street furnishings, and the following was noted:

- Acknowledgement of the significant work that had been done by the Cultural Advisory Committee.
- There is a division between art and furnishings.
- Ensure the Committee is involved in art, not beautification.
- The Committee already has a full agenda; perhaps selective furnishings might be presented to the Committee for comment as opposed to furnishings City wide.
- Street furnishings have potential to attract people to a public art piece.
- There are artists who specialize in street furnishings.
- Major change is occurring throughout the City and the Committee may be able to assist in developing a process that builds design coherence in various “zones” throughout the City, in addition to designating locations for public art.
- Member Dhall would work with City staff to develop a plan.

2018-PAAC-021 **It was MOVED and SECONDED**

THAT the Committee requests permission to meet with appropriate City departments in order to collaboratively create the artistic and cultural guidelines for the selection of street furnishings.

**CARRIED**

**8. YOUTH MURAL - MANAGER OF CULTURAL DEVELOPMENT**

Member Watts reported that the project is complete. The names of the artists and quote was incorporated into the artwork itself. Feedback and the learning from the project would be brought to the next meeting.

**9. LOCATION FOR HYDRO WRAPS - MANAGER OF CULTURAL DEVELOPMENT**

The Manager of Cultural Development recommended one (1) box for hydro wrapping on Johnston Road. The Committee was in agreement. Staff will undertake some additional research regarding the location of all hydro boxes in the City, how much warning signage is required to remain on the boxes and whether BC Hydro would take on the wrap project.
