## Jumpstart

Giving kids a sporting chance.

### What is Jumpstart?

Jumpstart Charities gives kids a sporting chance. Kids aged 4 to 18 years from families in financial need can receive funding to help with registration fees.

Participating in sport helps kids develop physical and social skills. It helps build self-esteem. By helping kids get into the game, we're equipping them with determination. And we're giving them confidence.

### Does my child qualify?

Families must meet financial need criteria in order to qualify for Jumpstart funding. Jumpstart follows Revenue Canada's Low Income Cut-offs (LICOs) which are based on a family's size, the size of their community and the total family unit income (before tax).

### Where do I apply?

Jumpstart funding application forms are available online at [www.whiterockcity.ca](http://www.whiterockcity.ca) and at each of our recreation centres:

#### White Rock Community Centre

(15154 Russell Ave.)

#### Centennial Park Leisure Centre

(14600 North Bluff Rd.)

#### Kent Street Activity Centre

(1475 Kent St.)
