

Canadian Tire Jumpstart Program

The goal of the Canadian Tire Jumpstart program is to assist those children that due to financial hardship would not otherwise be able to participate in a physical activity.

Eligibility:

- Children must be between the ages 4-18 and must demonstrate a financial need. Funding is up to **\$150 per Jumpstart season**. The seasons are **January 16-June 1 2019** and **July 1-November 14, 2019**.
- Level of subsidy can be determined by the person making the request (25%, 50%, or 100%).
- The registrant must complete the application form for the Jumpstart Program and return it to the White Rock Recreation and Culture office. One application per Jumpstart season.
- Support is provided for a child to participate in **ONE activity** per submission period. Therefore, a child can participate in only one activity per period but can register in consecutive classes e.g. spring/summer ball hockey, or fall/winter skating. Programs must be **5 sessions or more** to qualify.
- Canada Revenue Agency (CRA) rules require that third parties (e.g. gymnastics or dance schools) are paid directly from Jumpstart. We will no longer be creating City of White Rock cheque requests for third parties. In the case of third parties – we cannot confirm Jumpstart funding until Jumpstart has provided approval.

White Rock Recreation and Culture Spring and Summer 2019 programs which may qualify for funding under the Jumpstart guidelines:

Some or all of these programs may be eligible for Jumpstart funding. This list is for reference only. Limitations may apply.
