SUMMER IS AROUND THE CORNER!

Outdoor water restrictions are automatically implemented each year. To support and promote sustainable water practices, outdoor watering restrictions will be in effect from May 1 to October 15.

STAGE 1 RESTRICTIONS | MAY 1

Residential lawn sprinkling is permitted:

- Even numbered addresses can sprinkle between 4:00am-9:00am Monday, Wednesday, Saturday.
- Odd numbered addresses can sprinkle between 4:00am-9:00am on Tuesday, Thursday, Sunday

NON-RESIDENTIAL LAWN SPRINKLING IS PERMITTED:

- Even numbered addresses can sprinkle between 1:00am - 6:00am on Monday & Wednesday, and 4:00am-9:00am on Friday
- Odd numbered addresses can sprinkle between 1:00am - 6:00am on Tuesday & Thursday, and 4:00am-9:00am on Friday

These restrictions apply only to lawns; hand watering of gardens, shrubs, trees, and flower beds is permitted. When washing a boat or vehicle, water hoses must be equipped with an automatic shut-off device.

Note: multi-family dwellings are considered even or odd according to the building number, not the unit number.
