

Georgia Basin Habitat Atlas: Boundary Bay

Boundary Bay

‘90 pages of text, colour photographs & maps’

This 11 x 17 printed Atlas is a unique window thru which to understand and appreciate Boundary Bay’s geography, wildlife, sensitive habitats and it’s importance in the south Georgia Basin & Puget Sound.

‘A wonderful introduction to the internet mapping information at www.georgiabasin.net’

A project of Friends of Semiahmoo Bay Society, the Community Mapping Network & Partner Organizations.

Available for a donation of \$75.⁰⁰

Contact www.birdsonthebay.ca or call 604-536-3552 to arrange for a copy.
