

Council Message - International Women's Day

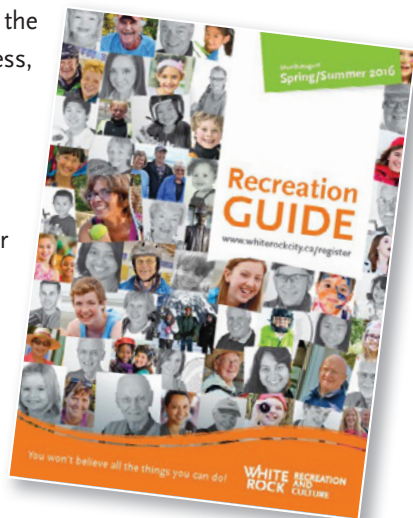

On the occasion of International Women's Day we would like to celebrate the courage exhibited by women in our history who have played extraordinary roles in working toward affecting positive change. Women have made, and continue to make, significant global contributions to society's social, economic, cultural and political spheres. We would like to acknowledge these contributions as we continue to work toward and promote a culture of gender-balanced leadership and equality.

Try Something New This Spring!

Chinese Brush Painting, Memoir Writing, Hike with the Outdoor Club, Ukulele Lessons, Yoga, Zumba Fitness, or a Day Trip to the Gulf Islands.

You won't believe all the things you can do!
