To protect your personal information, The City of White Rock has been asked to contact you on behalf of Sources Community Resources Society who are collecting donations on behalf of residents displaced by the May 15, 2016 fire at Ocean Ridge.

We are saddened by the impact that May 15, 2016 fire has had on you and your neighbors.

For all of us, this has been a life changing event in one way or another. The impact has resonated with first responders, evacuees, business owners and the community at large.

The response from the residents of White Rock was immediate. They rallied for you and other evacuees donating toiletries, clothing, furniture, offers of accommodation and financial assistance.

Some of these donations have flowed directly through to displaced residents while others require a coordination that takes some time to accomplish and requires some assessment.
