

PAY PARKING REMINDER

Did you know that White Rock residents can purchase a pay parking decal for only \$30 (plus HST)? With this decal, residents can enjoy parking for up to four hours a day in all City of White Rock pay parking locations. The 2011 decals are valid until December 2011.

To purchase a resident decal, you must provide:

- A valid driver's licence with your White Rock address
- Your current valid owner's certificate of insurance (ICBC) and vehicle licence showing the same address as your driver's licence.

Pay parking decals can be purchased at these customer service locations:

- City Hall – 15322 Buena Vista Avenue
- White Rock Community Centre – 15154 Russell Avenue
- Centennial Park Leisure Centre – 14600 North Bluff Road
- Kent Street Activity Centre – 1475 Kent Street

If you have a veteran licence plate, parking is free for up to four hours in City of White Rock pay parking areas, without a parking decal!

For more information, call Planning and Development Services at 604.541.2139.

If you don't have a decal, don't forget that starting on March 1 pay parking along Marine Drive returned to the seasonal rate of \$3 per hour, seven days a week from 10 a.m. to 2 a.m.

DEVELOPER INFORMATION MEETING

15571 Goggs Ave

The City of White Rock has received an application for a Rezoning from RS-1 to RS-7 zone to permit the subdivision into two lots. A developer information meeting is scheduled for Tuesday, March 8 between 6:00 p.m. to 7:00 p.m. at the White Rock Library at 15342 Buena Vista Avenue for the public to review this application. The meeting will be an open house format with display outlining the details of the proposed development.

For more information, please contact Victor Junwei Ou at 778.288.7476 or junweivictor@hotmail.com

EMPLOYMENT OPPORTUNITY

Communications Officer

The City of White Rock Administration Department seeks a creative and seasoned communications professional with outstanding customer service and interpersonal skills to join their team. This position works with the City's Departments on the development of internal and external communication messages and strategies, advises of effective publicity, media relations and marketing approaches, and coordinates the implementation of communication plans.

Completion of the 12th grade, supplemented by a degree or diploma in communications or a related discipline, plus sound related experience preferably in a local government setting is required.

View complete details at: www.city.whiterock.bc.ca

Deadline: Tuesday, March 15, 2011

HAZARDOUS TREE REMOVAL

Healthy trees are important! They provide slope stability, clean air and shade in the summer. Unfortunately, dead, defective or hazardous trees can pose a threat to public safety. When this happens, your well being is our top priority.

The City of White Rock is conducting hazard abatement work on trees throughout the City. This includes whole tree removal; however, pruning will be done in certain instances where the hazardous or defective part can be removed while maintaining appropriate arboriculture standards and practices.

Approximately 24 hazardous trees have been identified throughout McCaud Park. City staff have started removing the hazardous trees and pruning others as necessary at the park.

To find out more about the pruning and maintenance of City trees, please call Engineering and Municipal Operations at 604.541.2181.

INTERNATIONAL WOMEN'S DAY

March 8, 2011

International Women's Day occurs annually on March 8, and is a global day celebrating the economic, political and social achievements of women past, present and future. Hundreds of events occur not just on this day, but throughout March to mark the achievements of women.

For more information about this worldwide day, or to see how you can participate, visit www.internationalwomensday.com.
