

Remembrance Day - Mayor and Council Message

On November 11, we pause to pay tribute to our servicemen and women on our solemn day of remembrance. We honour their service and their sacrifice and never forget their extraordinary bravery.

Today, Canadian service women and men continue to serve courageously in our military and on combat and peacekeeping missions in theatres around the world.

On behalf of the City of White Rock, we thank all veterans for everything they have done for this country. Their legacy is a strong, free Canada including the warm welcoming community we call home.

On Remembrance Day, join us at the Cenotaph to recognize those who have served and continue to serve our nation. Thank you.
