

Notice to Adopt Bylaw 2118

A Bylaw to Amend White Rock Financial Plan (2015 – 2019)

NOTICE is hereby given that the Council of the City of White Rock will consider **Bylaw No. 2118** at the Council meeting to be held at City Hall Council Chambers, 15322 Buena Vista Avenue, White Rock, B.C., on Monday, November 23, 2015 for the purpose of final adoption.

“Financial Plan (2015-2019) Bylaw, 2015, No. 2080, Amendment No. 2, Bylaw 2015, No. 2118”.

The amending bylaw increases the 2015 water utility capital expenditure budget by \$1,034,000 and updates the funding sources for water utility capital expenditures that were previously included.

Copies of the proposed bylaw amendment along with copies of the adopted 2015 – 2019 Financial Plan Bylaw No. 2080 and associated reports may be inspected in the City Clerk’s Office at White Rock City Hall, from Tuesday, November 10, 2015 to Monday, November 23, 2015 between the hours of 8:30 a.m. to 4:30 p.m., excluding weekends and statutory holidays. Note: This information will also be included on the City’s website www.whiterockcity.ca under the regular meeting agenda section for November 23, 2015.

Should you have any comments you wish to convey to Council regarding the amendments in Bylaw No. 2118, **please submit in writing to the City Clerk by 4:00 p.m., Monday, November 23, 2015.** You may forward your submissions:

- mail or delivery to the City Clerk’s Office at White Rock City Hall, 15322 Buena Vista Avenue, White Rock, BC V4B 1Y6; or
- fax to 604-541-9348; or
- e-mail the City Clerk at clerksoffice@whiterockcity.ca with “Bylaw No. 2118” in the subject line.

Water Main Flushing until December 15, 2015

The water main flushing program improves water quality in the City’s water mains. Water service will continue during the water main flushing. While water may have slight staining, it is safe to use. We recommend you run your cold water tap for approximately 10 minutes or until the water runs clear. Please check your water supply before doing laundry to avoid possible staining. Thank you for your cooperation.

All water pipes can accumulate mineral and sediment deposits over time. While these deposits are not harmful to customers, the substances can cause aesthetic water quality issues. The City runs water through the pipes at high speeds to clean mineral and sediment deposits.
