## GARBAGE/RECYCLING IDEAS

### Bag your garbage

Using plastic bags to secure loose garbage in your garbage can is a great idea. It keeps the garbage contained, reduces odors, keeps your neighbourhood cleaner, and is safer for garbage crews. Thank you for securing your loose garbage!

**PLEASE REMEMBER that PLASTIC BAGS ARE NOT ACCEPTED in your GREEN CAN.** Use paper or food waste bags, which are available at any City facility.

### Crush your recycling

City crews are pleased to notice an increase in recycling. Thank you for doing your part! In order to help make room in the trucks for all the recycling, please remember to crush large containers, like milk cartons, before placing them in your blue box.

**Don't forget that pizza boxes and food soiled paper can be placed in the Green Can!**
