| Excess consumption above consumption included in minimum, per 100 cubic feet: | | 3.77 | 3.88 |

Pro-rating of Fees

The City reads meters and bills on a quarterly basis. The minimum charges and reading consumption charges will be pro-rated based on the number of days the water service is connected during the billing cycle.

Multi Family consumption per unit

Per unit consumption is calculated by taking the total consumption divided by the number of units.
