5. **PURCHASE OF WATER UTILITY SERVICE**

[Community Charter Section 90(1) (g), (i) and (k)]

The Chief Administrative Officer gave a verbal update in relation to the purchase of the water utility service including the following:

- Water Quality / Upgrades
- Model - Water Rates
- Communication Strategy – Forum in October to inform regarding quality matters and how the City will be invoicing for the water service (quarterly)

The following items were noted that should be addressed at a public forum:

- Clear/concise chart as to how the water service will be charged
- How the water is to be maintained, chlorination, magnesium and ammonia will all be elements, must be explained
- Should be “Live-Streamed” on the web
- Invitations to be addressed to each property owner within the City
- The City will be hiring a Communications Consultant

2015-IC-079

It was MOVED and SECONDED

THAT Council endorses that unless the economics are more in line with the City’s expectations in terms of running the water utility service, the direction for the Chief Administrative Officer is to take immediate action to have the City operate the water utility service in accordance with definitive agreement.
