WATER UTILITY SERVICE NEGOTIATIONS

[Community Charter Section 90(1) (a) and (k)]

The Director of Engineering and Municipal Operations gave a verbal update regarding water utility service negotiations related to an Operational, Maintenance and Capital Works Agreement including:

- Another meeting was held regarding the Operational, Maintenance and Capital Works Agreement, Epcor came back with minimal movement on cost to manage the service. The following day the Chief Administrative Officer informed Epcor that the City has determined that they will run the service.
- Staffing: to date five (5) staff were offered positions at the City, CUPE were informed and are agreeable; a further meeting with the potential staff is to be set up regarding technical aspects of running the service. At this time inside staffing positions are still to be determined.
