Finding #3 – Site Plan showing Bylaw Infraction

Analysis

1. Parked vehicles on boulevard obstruct sightlines of resident exiting driveway. The driver's vision of the through/eastbound vehicles are blocked by the parked cars.
2. According to TAC (Transportation Association of Canada) the sight distance inadequacy results in unsafe movements for resident to exit her driveway.
3. Parked vehicles in violation of several clauses in the City Street and Traffic Bylaw:

City of White Rock Street and Traffic Bylaw No.1529
Stopping and Parking

23. No person shall stop, stand or park a vehicle:

- (i) on a landscape boulevard;
- (t) in front or within 1 metre of a public or private driveway;
- (u) within 10 metres of an intersection;

Recommendation

Staff recommends removal of two (2) parking spots on Victoria Avenue on City boulevard to improve safety.
