Apologies, while the totals were correct, there was small error in one entry in Schedule B. Attached is the corrected document.

Paul, here is the signed, revised Statement of Adjustments. I believe that this is the only document for which we are waiting for a signature from you. Please send at your earliest convenience.

Can you advise as to when you'd be able to provide a trust cheque to Sarah? I believe that you're going to have it delivered to her office in the next little while?

Dana,

1. We agree with your proposal.
2. We confirm your advice that we are now at liberty to submit the land title documents for registration.
3. I will check into the GST number.
4. I am expecting the revised GST election form imminently.
5. I confirm that you will send me the revised Statement of Adjustments.

Regards,

Christian,

We will need the City to send the original letter of credit they are holding (attached) along with a simple signed cancelation letter (template attached) to RBC. RBC contact information is on the LC and they can address it to Kevin Laburte who works in the appropriate group. As the City is the beneficiary we cannot send the request for them.

Let me know if you have any questions,

Matt
