

White Rock Online Mapping System - WROMS

Terms of Use

1. The information delivered on this web page ("White Rock Online Mapping System - WROMS") is provided as a service by the City of White Rock on the following terms.
2. In return for the City of White Rock (the "City") granting access to WROMS, the person (the "User") accessing WROMS agrees to and accepts these Terms of Use.
3. WROMS is supplied on an "as is, where is" basis. The City assumes no obligation or liability for the use of WROMS by any person and makes no representations or promises regarding the completeness or accuracy of WROMS or its fitness for a particular purpose. WROMS represents a one-time capture of information as it exists at the time the information is transferred to WROMS and does not necessarily include the ongoing updates or corrections to the source database maintained by the City or other agencies and included for the City's internal purposes.
4. The User will use WROMS only for the User's own internal business and personal purposes and may not.
 - a. re-sell, sublicense, or operate a service bureau using WROMS, or
 - b. otherwise reproduce, publish or disseminate WROMS for commercial purposes,without the prior written consent of the City.
5. All right, title and interest (including all copyright, patent, and other intellectual property rights) in WROMS remain vested in the City at all times. The City's original copyright and other proprietary notices included with WROMS must remain intact at all times.
6. The User now indemnifies the City and its officials, employees and agents from and against all losses, claims, demands, actions, payments, expenses, costs, suits, and damages (including any damages that are direct, indirect, incidental, special or consequential), whether or not caused by the negligence of the City,

or its officials, employees or agents, which are incurred by the City and would not or could not have been incurred but for the User's use of WROMS or the User's breach of these Terms of Use.

7. On completion of each transaction for which WROMS is acquired, the User will erase the WROMS data from the User's computer system or such other storage device where such data may reside and will, upon the City's written request, provide written confirmation of compliance to the City's Manager of Information Technology.
8. Failure of the User to comply with these Terms of Use will result in the automatic termination of the User's rights to access WROMS.
9. These Terms of Use are governed by the laws of British Columbia, Canada. If any part of these Terms of Use are found to be unenforceable, then that part will be severed so that the remainder of these Terms of Use can continue to be enforceable.
