Hi Carolyn!

Hope you have had a great start to the New Year. It was wonderful to hear your presentation at the EDAC earlier this week. For a meeting, how about next Wednesday between 1-3PM? I have some prep work to do before another meeting so I'll have about 30 minutes.

Hope that works for you.

Most Sincerely

Ritu

Hi Ritu,

I hope you are doing well and that 2021 is off to a good start.

I'd like to connect with you about a few things and am hoping we can set up a time to talk. The topics on my "list" of things I'd like to discuss include the following:

- White Rock Economic Development Survey - feedback and support for distribution
- Marine Drive - business concerns and revitalization
- 2021 Opportunities for Collaboration - New Business Welcome Package, Business Directory, Chamber Chats, other

I'm working Tuesday and Wednesday most weeks, 8:30 to 4:30. Is there a time on one of those days over the next few weeks that works for you?

Thanks, I'm looking forward to connecting.

As discussed, this meeting is to review, brainstorm and plan a "Support Local" business program for South Surrey & White Rock that could serve as part of a proposal to submit to the BC Chamber of Commerce to access newly available federal funding.

Prior to the meeting, please:

- Consider existing programs that you would want to be considered as part of the proposal so that it can be enhanced
- Provide dates of those programs and a short description
- Bring other new ideas
- Consider other partners to bring to the table

I hope to have more details about proposal criteria and metrics by the time of our meeting. Let me know if you have any questions.

Tentative Timing:

- Sep 2021 - Oct 2021: Proposal Submitted
- Nov 2021 - Feb 2022 - Program Run Time

- Mar 2022: Report submitted to BC Chamber

a mural/beautification program conversation

Thu 9/9/2021 1:00 PM - 2:00 PM

Location: Microsoft Teams Meeting

Organizer: Elizabeth Keurvorst

Required Attendees: Elizabeth Keurvorst <EKeurvorst@whiterockcity.ca>; Eric Stepura <EStepura@whiterockcity.ca>; Carl Isaak <CIsaak@whiterockcity.ca>; Greg Newman <GNewman@whiterockcity.ca>; Neethu Syam <NSyam@whiterockcity.ca>; Carolyn Latzen <CLatzen@whiterockcity.ca>;

Hi All

This meeting is to explore mechanisms for growing a mural/beautification program in partnership with property owners and businesses. Both Cultural Development and Economic Development aspirations are reflected in this idea.

-
Agenda:

- Discuss the current context/challenges/aspirations for both culture and economic development (see below)
- Explore opportunities
- Next steps

Context/Challenges:

1. There are limited resources to place murals or other beautification initiatives on public property (funds, limited staff resources)
2. Guidelines are drafted for murals but private property owners are not required to follow these guidelines.
3. Property owners have no incentive to install murals or add beautification elements (neither carrot or stick)

Notes from Greg for exploration:

- I'm not entirely sure the zoning bylaw is the right tool to incentivize murals on private property.
 - there may be other planning tools that we could use to support this objective. For example, it could be that we establish a Development Permit Area (DPA) guideline (see Section 22 of the OCP) which encourages the introduction of murals in specific circumstances (e.g., along a commercial corridor – Marine Drive / Johnston Road) or in high pedestrian traffic areas or at the end of a view corridor (visible end of a street).
 - It could also be that we amend our Density Bonus ([link](#)) policy to recognize murals as a type of public amenity; the Policy currently recognizes "outdoor public art" so perhaps the opportunity for a mural is covered. (EK note: Yes it is)
 - We were also discussing with Carolyn the opportunity for a neighbourhood beautification (grant) project as a way of stimulating investment in the WR community. This would require a bit more due diligence to confirm what the legal parameters of this sort of undertaking would need to be.

Thank you for your interest and enthusiasm in the Support Local initiative for South Surrey & White Rock, which is tentatively being called 'Festive Season on the Peninsula'. This is a follow up meeting to the first initial brainstorming session and other smaller meetings with community partners. Please come prepared with your proposed ideas, timing and funding requests. As a reminder, here are the key details and criteria known:

- The South Surrey & White Rock Chamber of Commerce has the opportunity to access funding being made available through the Federal government and funneled through the provincial Chamber network on a local Support Local initiative
- Program should be inclusive and open to organizations that support business, especially in hard-hit sectors like tourism and hospitality
- Chamber would like to incorporate, if possible, fitness /wellbeing businesses and the arts & culture sector
- Encourage collaboration across applications to maximize the benefit of the grant awarded
- Ensure applications approved will deliver a new campaign or enhancement/extension of an existing campaign, the objective of which are aligned with the objectives of the national initiative
- Open to businesses, non-profits and municipal partners to participate
- Only one proposal can be submitted by the Chamber but it can have various components
- Proposal components will be managed and organized by the community partners and supported by the Chamber
- Tentative Timing:
 - Friday, Sep 10th: Working group meeting with proposals submitted
 - Sep 13 – 24: Formulation of proposal and finalizing details
 - Friday, Sep 27th: Proposal submitted to BC Chamber by SSWR Chamber
 - Mid-October: Notification of approval
 - October 31, 2021: Launch Program
 - January 31, 2022: Report outcomes to the BC Chamber
