

YOUR PRESCRIPTION TO GET ACTIVE IS FOR:

<p>Adult - Senior (18+ years old)</p> <p><input type="checkbox"/> Start with 10 minutes of activity at a time and work up to 150 minutes of activity each week.</p>	<p>Child - Youth (2 - 17 years old)</p> <p><input type="checkbox"/> Work up to 60 minutes of heart-pumping physical activity each day.</p>
<p>Need a more gentle approach to Getting Active?</p> <p><input type="checkbox"/> Avoid sitting and lying for long periods of time. Stand up, take frequent short walks, and decrease your screen time.</p>	

WHAT ACTIVITY LEVEL IS RIGHT FOR ME?

- Start slow and work up to a level of exercise where you are sweating lightly and breathing harder – you should still be able to have a conversation in short sentences.
- Examples are brisk walking (as if you are late for the bus), bike riding or a water aerobics class.
- Add strength and resistance exercises when ready.

IDEAS FOR GETTING ACTIVE...

- Visit the Generations Playground
- Enroll in an aquafit, water walking or gentle joints class at your local pool
- Consider a pedometer or another activity tracking device and start walking regularly with a friend
- Start an activity diary and bring to your next appointment
- Book a 30 minute consultation with a fitness professional

BENEFITS OF BEING ACTIVE

- Improve your Physical and Mental Health
- Reduce your risk of Heart Disease by 33-50%
- Reduce your risk of Diabetes by 25-58%
- Reduce your risk of Alzheimer's by 40%
- Significantly reduce your risk of Hospitalization
