Dear s.22,

Re: Request for Information  
Freedom of Information and Protection of Privacy Act

---

The City of White Rock has reviewed your request for access to the following information pursuant to the Freedom of Information and Protection of Privacy Act (the "Act"):

- *How many full time staff that received a regular pay cheque in 2018 and the number of employees that are considered full time employees and receive a regular pay cheque let's say since January, 2022 to date*

Staff have forwarded the following as a response to the request:

The difference in the number of positions from 2018 and 2022 is as follows:

*As of September 2018, there were 142 Regular Full Time (RFT) positions, 5 Regular Part Time (RPT) positions and 2 Temporary Full Time (TFT) positions that turned into RFT positions in subsequent years (e.g. Digital Media & Communications Assistant)*

*As of September 2022, there were 159 RFT positions and 4 RPT.*

*This information does not include the number of full-time staff "that received a paycheck" as it is noted that will be misleading. As an example, the City has three (3) Recreation Facility Clerk positions, but its possible that during the year there was three (3) to six (6) different incumbents that filled those three (3) rolls, due to staff turnover.*

Please contact our office if you have any questions, concerns or require further breakdown of information as provided.

Sincerely,

Tracey Arthur, Director of Corporate Administration
