Dear **Redacted S. 22**

Re: Request for Records
Freedom of Information and Protection of Privacy Act

The City of White Rock has reviewed your request for access to the following records pursuant to the Freedom of Information and Protection of Privacy Act (the "Act"):

- *The results of the White Rock Multi Family Solid Waste Survey that staff were referencing at the regular council meeting on January 16th?*
Especially the one(s) with actual monetary figures specified.
- *Are the RFP results available for the MFSW one contractor service for release*

Access to the records regarding the survey results is available at this time, however, some of the information in the records is excepted from the disclosure requirements of the Act. I have severed the excepted information so that I could disclose to you the remaining information as attached.

The severed information is excepted from disclosure under section 22 of the Act. Severing under section 22 is necessary to avoid disclosing third-party personal information without permission.
