Dear **Redacted S. 22**,

Re: Request for Records  
Freedom of Information and Protection of Privacy Act

---

The City of White Rock has reviewed your request for access to the following records pursuant to the Freedom of Information and Protection of Privacy Act (the “Act”):

- *Names and addresses of current Strata Corporations, residential and commercial, including apartment buildings, townhouses and commercial and / or mixed developments, in White Rock, with name and contact information of the property management company and name(s) and/or contact information (email/ mailing address) of the current Strata Council.*

The information you are seeking is not fully available in retrievable records however staff have been able to run two (2) spreadsheets:

- Commercial Accounts & Multi-Family Accounts

Access to these records is available. However, some of the information in the records is excepted from the disclosure requirements of the Act. I have severed the excepted information so that I could disclose to you the remaining information as attached.

The severed information is excepted from disclosure under section 22 of the Act. Severing under section 22 is necessary to avoid disclosing third-party personal information without permission.

For many of the multi-family accounts the account contact has been noted with the Strata Plan number, and the address for each multi-family building has been provided. Further information regarding the strata contact for each cannot be found without staff having to select the strata and going to various screens to see if this information has been provided. It has been noted that this would be time consuming for the staff within the Finance Department whereby a staff person would need to be away from their duties for a number of hours to try and obtain further information from the report that they have been able to generate for this purpose. If there are specific strata buildings that you are looking for more information on a scaled down search may be feasible.

Please review and contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Arthur".

Tracey Arthur, Director of Corporate Administration & FOI Head
