**CORPORATION OF THE CITY OF WHITE ROCK  
CONSOLIDATED FINANCIAL PLAN 2024 - 2028  
Schedule “B” to Bylaw No. 2507, 2024**

**Proportion of Revenue by Funding Source**

The table below labeled ‘Revenue by Source 2024’ shows the proportion of total revenue to be raised from each funding source in 2024. Property taxes form the second largest portion of revenues at 38%. They provide a stable and consistent source of revenues to pay for many services, such as police and fire fighting, which are difficult or undesirable to fund on a user-pay basis.

Fees and charges represent 23% of planned revenues. The most significant of these are water, sanitary sewer, drainage and solid waste user fees which are charged on a user-pay basis. This basis attempts to fairly apportion utility service costs to those you use these services.

Other revenue sources represent 39% of the budgeted revenue for 2024. They include sale of services, interest and penalties, government grants, contributions, pay parking, and building permit fees. These revenues fluctuate due to economic conditions and City initiatives, and in the case of government grants require approval by senior governments.

<b>Revenue by Source 2024</b>	
Property Value Taxes	38%
Fees & Charges	23%
Other Sources	39%

**Distribution of Property Taxes Between Property Classes**

The table below labeled ‘Property Tax Distribution 2024’ details the distribution of property tax revenue between property classes. The City’s primary goal is to set tax rates that are sufficient, after maximizing non-tax revenues, to provide for service delivery, city assets, and maintain tax stability. This is accomplished by maintaining the historical relationship between property classes and applying the same annual tax rate increase across all classes.

<b>Property Tax Distribution 2024</b>	
Class 1 – Residential	92.03%
Class 2 – Utility	0.19%
Class 5 – Light Industry	0.03%
Class 6 – Business & Other	7.72%
Class 8 – Recreation & Non-Profit	0.03%

**Use of Permissive Tax Exemptions**

The City’s Annual Report contains a list of permissive exemptions granted for the year and the amount of property tax revenue foregone. Permissive tax exemptions are granted to not-for-profit institutions per City policy and include exemptions for religious institutions, service organizations, and cultural institutions, all which form a valuable part of our community. Each year organizations can make an application for permissive tax exemptions which are reviewed on a case-by-case basis.
