## **Sub Committees and Working Groups**

- a) Sub-committees: A committee may appoint members to a sub-committee to inquire into matters and to report and make recommendations to the committee for a specific purpose. A sub-committee may be formed in the circumstance there is a heavy workload and there are items that can be broken down and worked on with the sub-committee's advice and recommendations coming back to the originating committee. Meetings of the sub-committee are open to the public (subject to statutory closed meeting matters under s. 90 *Community Charter*), must include agenda, meeting minutes and be posted just as a committee meeting held by the City of White Rock.
- b) Working Groups: A committee or sub-committee may form a working group for the limited purpose of:
  - i. Gathering, summarizing or preparing a presentation of information, including research and analysis, to deliver to the originating Advisory Body of Council, or
  - ii. Carrying out a specific prescribed activity (ex. parade float production, taking available information and placing it into a specified format for the originating Advisory Body of Council).
- c) Due to the limited nature of the working group, they would perform their work on their own. If a working group provides advice and recommendations or an opinion on matters of policy to Council, or an Advisory Body of Council then it may be characterized as a sub-committee and not a mere working group – this type of work is to be done in the committee or sub-committee format so the public have the opportunity to see and hear how recommendations to Council are formed. A working group does not meet in a formal circumstance (no agenda, meeting minutes, meeting notice is required).
