

POLICY TITLE: SWEEPING AND CLEANING

POLICY NUMBER: OPERATIONS / ENG. – 613

<i>Date of Council Adoption:</i> June 15, 2015	<i>Date of Last Amendment:</i>
<i>Council Resolution Number:</i> 2015-214	
<i>Originating Department:</i> Engineering and Municipal Operations	<i>Date last reviewed by the Governance and Legislation Committee:</i> May 25, 2015

Policy:

It is recognized that daily sweeping or cleaning of all streets and sidewalks is not possible; the following action will be undertaken

COMMERCIAL CORE STREETS (see attached map)

- Streets in the area designated as the “Commercial Core” should be swept annually, except where snowfall/ice or other weather may have created a hazard.

RESIDENTIAL AREA STREETS (see attached map)

- Streets in the area designated as “Residential Area” should be swept annually, except where snowfall/ice or other weather may have created a hazard.

ALL OTHER STREETS INCLUDING CONSTRUCTION SITES

Upon Request

- All other streets and construction areas will be swept upon request except where melting of snow/ice or weather or sanding may have created a hazard.

On Demand

- Cleaning may be done on demand or as required by unusual circumstances, parades or weather conditions.

SIDEWALKS

- It is recognized that due to financial resources and budgetary constraints that cleaning of sidewalks is not possible. Cleaning may be done as required by unusual circumstances, parades or weather conditions.

Rationale:

The City of White Rock wishes to demonstrate that balanced against the nature and quality of the risk involved, the City of White Rock's system of Sweeping and Cleaning is reasonable in light of all circumstances including budgetary limits, available personnel and equipment and the criteria of wanting to meet the standard duty of care.
